

FOGA 2021

FH Vorarlberg

Call for Papers

16th ACM/SIGEVO Workshop on Foundations of Genetic Algorithms

FOGA 2021

September 6 - 8, 2021

Premier event to discuss

- ✓ theoretical foundations of randomized search heuristics
- ✓ suitable analysis frameworks
- ✓ benchmarking aspects
- ✓ connections between search heuristics and machine learning

Location:

**Vorarlberg University of
Applied Sciences (FHV),
Dornbirn, Austria**

Website:

<https://www.fhv.at/foga2021>

FOGA 2021 is organized by Steffen Finck and Michael Hellwig

FOGA 2021

FOGA 2021 WORKSHOP ON FOUNDATIONS OF GENETIC ALGORITHMS (FOGA XVI)

FH Vorarlberg

FH Vorarlberg

Call for Papers

16th ACM/SIGEO Workshop on Foundations of Genetic Algorithms

FOGA 2021

September 6 - 8, 2021

Submissions

FOGA invites submissions ranging from rigorously derived theoretical results to carefully conducted empirical studies.

Important dates:

Submission deadline	April 30, 2021
Author rebuttal phase	June 1 - 7, 2021
Early-registration until	July 14, 2021

Travel grants

A limited number of student travel grants will be available.

Social event:

Excursion in the Lake Constance area & "dinner with a view" in the Austrian Alps

FOGA 2021 is organized by Steffen Finck and Michael Hellwig
